of exact use if
any*

1. Subject was formerly a P/A candidate under ZRELOPE (4-PL-489) (JC-5809). A covert security clearance was issued for use of subject as a BOULDER trainee on 13 December 1951. He was brought to the U.S. for training in January 1952 but was returned to Germany because of poor health.

2. Subject was then used as an interviewer at the ZRELOPE assessment site in Munich, Germany. His duties were terminated 30 June 1953. STC/SPB issued subject an operational clearance on 9 July 1953 (no number given) for use as an interviewer at the assessment site only and in no other capacity whatsoever without prior approval of STC/SPB.

3. EE/REDCAP requests clearance to contact subject for assessment and possible recruitment as a REDCAP spotter or informant. A formal request for operational clearance will be submitted if subject is found acceptable for REDCAP duties and when PRQ Part II is submitted by the field.
